The Canberra International Riesling Challenge is not only Australia's largest single varietal wine shows, but also one of the most important annual events of its kind. Every year I look forward to welcoming Riesling producers from around the globe to Canberra for this prestigious event.

It is great to see so many wines from so many parts of the world represented in this, the 22<sup>nd</sup> Canberra International Riesling Challenge.

This year's challenge has seen more than 360 entries, including from France, Germany, New Zealand and the United States of America – as well as wines from Australia and our own Capital Region.

It's particularly encouraging to see strong representations from all Riesling regions within Australia, including the Canberra District with 19 entries. Thank you to all the winemakers who have entered in 2023. Your commitment to excellence is clearly demonstrated here today, and in the outstanding interest your Rieslings are generating around the world.

I would like to congratulate this year's Canberra International Riesling Challenge winners and thank everyone who submitted an entry. Your participation is what continues to make the Canberra International Riesling Challenge a success. I would also like to thank the panel of judges who had the difficult task of judging this year's selection of Rieslings. Thank you all.

And I would like to extend a special thanks to Mr Ken Helm AM, the driving force behind this show's establishment in 2000. After more than two decades of service, Ken is stepping back from official duties and will instead enjoy this year's Challenge as a competitor. Thank you, Ken.

Again, congratulations to all this year's winners. I hope you enjoy your time in our nation's capital.

Yours sincerely

Andrew Barr MLA

# CANBERRA INTERNATIONAL RIESLING CHALLENGE

## Canberra International Riesling Challenge – a brief history

The concept of the Riesling Challenge came from Ken Helm AM, a pioneer Canberra winemaker with a passion for Riesling. The idea of the Challenge was launched in 1999 at the Murrumbateman Cool Climate Wine Show. As the second biggest Riesling producer in the world next to Germany, and it seemed appropriate that Australia should promote the variety.

The concept was further developed by Ken, with the Hyatt Hotel Canberra (the major sponsor at the time) and a group of Canberra business people, including (the late) Jim Murphy AM, James Service, Paul Walshe, and Emmanuel Notaras, together with the ACT Government.

Wolf Blass AM accepted an invitation to be the first Chairman of judges; he held that position for six years. He introduced the Wolf Blass Award, became a major sponsor, member of the Committee and is now the International Ambassador for the Canberra International Riesling Challenge. Ken Helm was elected Chairman and from that position guided development for nineteen years.

The inaugural event in October 2000 at the Hyatt Hotel Canberra attracted 137 entries from across Australia. The trophy for the Best Riesling went to McWilliams 1996 Eden Valley Rhine Riesling.

In 2002 entries were sought from New Zealand, and in 2003 the Wolf Blass Award was included to recognise a person or innovation that has made a major contribution to the development and promotion of Riesling.

In 2004 the German Ambassador, Dr Klaus Peter Klaiber, offered a Perpetual Trophy for the Best German Wine and organised a comparative tasting of 21 German wines. This provided an opportunity to promote the event as the *Canberra International Riesling Challenge*. Realising the international concept was made possible through the assistance Canberra's Diplomatic missions, which enables the entry wines from various countries to be sourced through the Ambassadors and High Commissioners. The Challenge has become an internationally-recognised wine event, and the largest event of its kind in the Southern Hemisphere.

2008 saw the introduction of judging on a regional level, a first in Australia for an international event. This approach showcases the individual characteristics unique to a wine's location in the world, the soil, the climate, aspect etc. Since 2012 judging has been undertaken against the 100-point judging system.

Seminars conducted by Charles Sturt University Wagga Wagga were introduced to promote better winemaking and appreciation of the many styles of Riesling. A Master Class has been conducted annually since 2012 to build knowledge and appreciation of Riesling within the wine industry and consumers through presentations and guided tastings of the world's best Rieslings.

Consumers have a unique opportunity to taste all of the entry wines at the conclusion of the judging, allowing them taste some of the best Rieslings in the world, many of which are not readily available in Australia.

2018 saw a new record entry with 567 Rieslings from 240 wineries across six countries and four continents. In that year a Provenance Class was introduced with entries comprising three vintages of the same wine/label produced from a single vineyard and winery, with 10 or more year's age range between the most recent and the oldest vintage. These wines compete for the Ken Helm AM Perpetual Trophy.

The Challenge has drawn judges from Germany, USA, France, England, and New Zealand and from winemakers, media and sommeliers from across Australia. In 2018 the Challenge welcomed for the first time a judge from China illustrating the growing interest in all things wine in Asia. Associate Judging positions which are offered annually to provide judging experience, are eagerly sought-after roles.

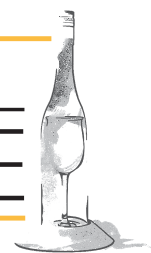

In 2019, as an adjunct to our highly successful Stewards program, the Challenge trialed an International Stewards Program to allow wine industry professionals to experience the Challenge without the limitations of the blind tasting process that is imposed on the judges.

The COVID-19 pandemic forced the cancellation of the Challenge in 2020 and 2021 due to lockdowns, travel and logistical restrictions. The 21<sup>st</sup> Challenge was conducted in 2022, attracting 408 entries from 180 wineries across six countries representing most of the major Riesling-producing regions of the world. With the return, the Challenge moved from the traditional medal awards to a descriptor scale that better recognises and acknowledges the quality of the wines, provides better guidance for consumers and is a marketing tool for producers. In 2022 we welcomed the very generous sponsorship support of Toyota Material Handling.

In 2023 the Riesling Challenge has almost 370 entries from 154 wineries in five Riesling-producing countries, including international entries from Austria, France, Germany, New Zealand and the USA. This year is also notable as it marks the retirement of CIRC founder and inaugural Chair Ken Helm AM after 23 years of continuous service to the Canberra International Riesling Challenge.

The ongoing support of the ACT Government since the inception of the event has been a crucial factor in its success in promoting the Riesling wine styles, the Canberra Wine Industry and Canberra as a tourist destination to the world.

## COMMENTS FROM CHAIRMAN OF JUDGES

The Canberra International Riesling Challenge remains the largest of its kind in the Southern Hemisphere, and it remains an important competition for the producers and followers and imbibers of this noble variety. We value the opportunity to expand our knowledge and experience of how Riesling is performing against the backdrop of season, climate change and evolution of style.

Great Riesling can be a beguiling experience with aromas, flavours and textures that resonate seamlessly with the palate. From its bone-dry steely mineral expressions to lusciously sweet and rich, there is a Riesling for all occasions and palates. Generally lighter in alcohol, refreshingly high in fruit and natural acidity, fine Riesling can echo a sense of a place and time through a captivating aroma package. This is what we are looking for when judging. The best Rieslings can age for many years, make excellent aperitifs as dry wines, and are delicious with spicy soups, cheeses and desserts when made in the sweeter expressions.

The judging team this year was outstanding, representing producers, winemakers, Sommeliers, Restaurateurs and Wine Retailers – all bringing their significant experience of Riesling into the discussion. A special thank you to Panel Chairs Jane Faulkner and Tim Pelquest-Hunt for their expertise, experience and love of Riesling. And, without the back-room team of stewards and leadership, this Riesling challenge would not be the success that it is.

Riesling might be a bit tough on the tooth enamel after four days of judging, but we happily step up to meet the challenge for this noble variety. Now it is time for you to get tasting this year's awarded wine line-up. I hope that your interest in Riesling continues to tickle your curiosity and leads you to discover some fine wine.

With thanks to you all - my fellow judges, a great backroom and stewarding team and excellent organisation - I am humbled.

**Cameron J Douglas**  
**Master Sommelier and Chairman of Judges**
